

Morrisville Public Library Five Year Plan Committee Meeting
June 20, 2017

Present: Gloria Hart, President; Beverly Campbell, Trustee; Laurie Demario, community member, and Michelle Rounds, Library Manager

Meeting called to order at 6:35pm. Beverly Campbell made a motion for Michelle Rounds to be acting secretary. Gloria Hart seconded, passed.

The committee reviewed the current five year plan that is expiring this year. They also reviewed comments by other board members of ideas for our new plan as well as sharing their ideas and thoughts.

The committee then went over the plan, making changes as things were completed to adding new ideas the library needed to work on (per trustees suggestions above). (See attached plan for details)

The committee finished the plan and asked Michelle to type up a clean copy to present to the entire board at their July 20, 2017 meeting for adoption.

Gloria Hart made a motion to adjourn at 7:40pm and Beverly Campbell seconded. All in favor.

Respectfully submitted,
Michelle Rounds, Library Manager/Acting Secretary
